PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR 1.181

In response to the Notice OF Abandonment mailed on 1/23/2007 regarding the above-captioned patent application, the applicant respectfully petitions to withdraw the holding of abandonment because applicant contends that the original Notice of Allowance was never received.

STATEMENT

In the present application, Applicant received the 11/16/2006 Notice Regarding Drawings. In response corrected drawings were submitted on 12/11/2006. The next response received by the Applicant was the Notice of Abandonment mailed on 1/23/2007. The Notice of Allowance that was the basis for the Notice of Abandonment was not received by Applicant.

Applicant's counsel attests that a search of the file jacket and docket records indicates that the Notice of Allowance was not received. A copy of the docket records where the Notice of Allowance would have been entered, had it been received, has been attached and is referenced herein. In the docket exhibit entitled, "Patent Issuance and Maintenance", blank spaces indicate that the Notice of Allowance was not received. In addition, the docket exhibit entitled, "Patent Prosecution" indicates that no Office Actions were received between the notice to correct drawings and the Notice of Abandonment. Applicant's counsel further attests that the Notice of Allowance was not received with the notice to correct drawings.

3

Applicant believes that the statement and showing above are sufficient to support the withdrawal of the abandonment of the present applicant and respectfully petitions that such abandonment be withdrawn.

The Examiner is invited to contact the undersigned by telephone or facsimile if the Examiner believes that such a communication would advance the prosecution of the present invention.

No additional fee is due.

RESPECTFULLY SUBMITTED,

By: /Bruce E. Stuckman reg. 36,693/
